WORKING FAMILIES NEED A REAL LEADER IN CONGRESS.

For too long Congressman Gary Miller has represented the wealthy few at the expense of working families, and rubber-stamped the failed policies of President George W. Bush.

It's time to elect **ED CHAU** to...

★ VOTE FOR SOUND ECONOMIC FISCAL POLICIES

Ed Chau will develop a Jobs Creation Leadership Team to create good paying jobs. Ed will vote for sound fiscal economic policies that help the working families of California's 42nd District and America. Ed Chau will work hard to fix healthcare, protect our environment, create incentives for cleaner renewable energy, support public education, support our troops & veterans and to end the war in Iraq.

★ RESTORE INTEGRITY IN CONGRESS

We can help end the "Culture of Corruption" in our federal government by voting out **Congressman Gary Miller**, who was named one of the "**most corrupt**" members of Congress by the Citizens for Responsibility and Ethics in Washington.
